

The Utah Parent Center invites you to attend a **FREE** workshop!

PARENTS AS PARTNERS IN THE IEP PROCESS

Date: Tuesday, September 13, 2016

Time: 6:30-8:30 p.m.

Location: Canyons Technical Education Center

825 East 9085 South (East Building 2), Sandy, Utah

Have you ever asked yourself?

- How can I give suggestions to the school about my child's program?
- What can I do if I don't agree with the school?
- Where can I go for help with my child's IEP?

Parents are important members of the IEP team. They can and want to be effective partners with other members of the team in developing and delivering special education programs for their student with disabilities. However, they often lack information. This workshop will help parents understand their role, rights and responsibilities in the IEP process. They will learn how to effectively prepare for, participate in and follow-up on IEP meetings held on behalf of their student. Information will be presented by trainers who are parents of children with disabilities.

This workshop is open to all parents who would like to attend.
